

From The Desk Of The: GOVERNOR

OUR MISSION:

MOOSE IS AN INTERNATIONAL ORGANIZATION OF MEN AND WOMEN DEDICATED TO CARING FOR YOUNG AND OLD, BRINGING COMMUNITIES CLOSER TOGETHER AND CELEBRATING LIFE.

With that said, we are approaching our 5th Annual Kids with Cancer Benefit

To be held Saturday October 13th here at our Lodge. All of the proceeds from this event will be presented to the Children's Hospital at Lee Memorial

Health Park at the OLZ Radiothon on October 26th, 2007. As many of you are aware, the uniqueness of this benefit is the all the money raised stays locally to benefit the cancer unit at the hospital. Over the past 4 years our Moose Lodge has raised over \$67,000 dollars to benefit these special children. With your support and donations we can make this event bigger and better than last year. Please remember cancer is treatable but comes at a great cost. This year we will be having a chicken barbeque from 1PM to 4PM. There will be live entertainment from noon till 8PM with our auction from 4 to 6PM.

We should all be proud of the success of this annual event. We have been recognized by both the hospital and the local community for our continued support as a major contributor to this fundraising drive. Let's not disappoint them this year. To date we have raised over \$13,000 dollars during the past year toward this year's goal.

Come out enjoy the food, entertainment and the auction and have a great time!

As always volunteers are needed, please find some time for this worthy event. Items for the auction are also needed.
